# INDEX

Note —

1 Names of authors and titles of their books referred to in the text are not included in this index. They are listed in the preceding bibliographical list.

2 The index number against each item is the number of the Chapter or the Section of its occurrence in the text.

For example, the index number MA1 represents Sec 1 of Chap MA in Part M.

3 The following abbreviations are used:

<i>def</i> = defined	= <i>r by</i>	referred by
<i>desc</i> = described	= <i>r in</i>	referred in
<i>irt</i> = in relation	= <i>irt</i>	referred in relation to
