BIBLIOGRAPHICAL REFERENCES

Note.—

1 The entries in this list should be taken as supplement to those in the succeeding index.

2 Whenever the same author is referred to more than once, the reference is made "expressive" with the help of the abbreviations *qirt*=quoted in relation to; and *rirt*=referred in relation to.

3 This bibliography lists only the documents used by the author of this book.

4 Column 1 gives the serial number by which the document is indicated in the text.

5 Column 2 gives the number of the section in the text, where the reference to the document is made.
