

ACKNOWLEDGMENT

These proceedings, published hereby as the Second Volume of the COYOTE PAPERS series, contains all the papers presented at the Formal Grammar sessions of the Arizona Conference on Japanese Linguistics, which was held at the University of Arizona, January 23 - 25, 1981. The Conference, as well as the publication of these proceedings, have been made possible through the assistance of the various groups. We wish to express our sincere thanks to the Arizona Foundation, Department of Linguistics, U. of A., Department of Oriental Studies, U. of A., East Asia Center, U. of A., and Social Science Research Council - Rocky Mountain & Southwest Japan Seminar.
