4-H CLUB ACTIVITIES

4-H Club Party

The annual 4-H Club party was held at the Flowing Wells School in the gymnasium. Two hundred twenty-five boys, girls, parents and leaders gathered to play and receive awards.

John Doty, Ramona Mueller and Connie Hertzog gave accounts of their trips to Chicago as state winners to the 4-H Congress. They told us about the numerous banquets with the beautiful food, the programs and trips to famous places in Chicago.

Mrs. Mac Doty received the alumni plaque. She was a trip winner to 4-H Club Congress in 1929.

There were talent stunts. 4-H Clubs prepared and presented stunts. Some were originals and worthy of repetition at other programs, such as Roundup or 4-H Club Camp.

Square dancing was enjoyed. It was followed with refreshments.

Dan Ralston, University of Arizona Extension Photographer, took pictures of the skits as well as the dancing. One shot is of Mrs. Art Smith preparing the cocoa in the Home Economics kitchen.
