The Third International Conference on Magmatism, Metamorphism and Associated Mineralizations "3MA" Casablanca, Morocco 2003 May 8–10

Because of the many discoveries of meteorites in the Moroccan desert, the organizing committee of the Third International Conference on Magmatism, Metamorphism and Associated Mineralizations "3MA" has created a "Meteorites" session, the first of its kind in Morocco. The session will focus on meteorite petrology and mineralogy.

The deadline for submission of abstracts is 2002 December 31.
