### **Formation of the binary near-Earth object 1996 FG<sub>3</sub>: Can binary NEOs be the source of short-CRE meteorites?**

In the above article by A. Morbidelli et al., which appeared in vol. 41 (2006), pp. 875–887, Matthieu Gounelle was not listed as a co-author of this article. This mistake has been corrected, and a new version of the article is available online at Ingenta (<http://www.ingentaconnect.com/content/arizona/maps>).
