COMPARATIVE CONSTITUTIONAL LAW:	
ENTERING THE QUAGMIRE	<i>James A. Thomson</i> 22

THATCHER CONFRONTS THE EEC	<i>Peter E. Millspaugh</i> 54
In this Article, Professor Millspaugh focuses on the changes and adaptations of British labor law under the administration of Prime Minister Margaret Thatcher. Professor Millspaugh directs his study on the possible problems the new British labor policy may cause within the EEC with respect to EEC provisions set forth in the Treaty of Rome and judicial interpretation of those provisions.	

70 LANGUAGES EQUAL AND FREE? THE STATUS OF MINORITY LANGUAGES IN THE SOVIET UNION *Richard E. Weiner* 73

THE PROTECTION OF HUMAN RIGHTS IN PUERTO RICO *Jose Julian Alvarez-González* 88
 Professor González examines the U.S. Constitution with respect to its application to Puerto Rico. He discusses the historical setting for Puerto Rico's current commonwealth status and the impact that status has on the Island's constitutional jurisprudence.

 The author compares the various provisions of the United States Uniform Commercial Code and the United Kingdom Bill of Exchange Act with the Geneva Uniform Law system.
